or destroyed by fire, or other casualty. Variations and waivers of this provision may be made only upon Developer or the Board establishing that the overall purpose of these Covenants would be best effected by allowing such a variation. Variations to this section are to be strictly construed and the allowance of a variance by the Developer or the Board shall not be deemed to be a waiver of the binding effect of this section upon all other Owners.

3.10 Set-backs. Set-backs in the Development shall be as specified in the Hamilton County zoning laws or set back requirements shown on the recorded and filed plat and regulations applicable as of the date of Recording this Declaration.

No tree of size greater than 2-inch CAL may be removed without approval of the Developer or the DRC, provided that the Developer may remove any and all trees as it deems reasonably necessary. For the benefit of the Development, Owners are required to keep their lawns and landscaping healthy and manicured, as appropriate for an up-scale neighborhood, including but not limited to keeping shrubs appropriately trimmed and lawns appropriately mowed and free of weeds and debris.

3.13 Unightly Conditions. All of the Home Sites in the Development must, from the date of purchase, be maintained by the Owner in a neat and orderly condition (grass being cut when needed, as well as leaves, broken limbs, dead trees, and other debris being removed when needed). Tree limbs, rocks and other debris must be kept out of the streets. In the event that an Owner of a Home Site in the Development fails, of his own volition, to maintain his Home Site or Home in a neat and orderly condition (including but not limited to a violation of Section 3.11 or Section 3.12), Developer, or its duly appointed agent, or the Board, or its duly appointed agent, may enter upon said Home Site without liability and proceed to put said Home Site into an orderly condition, billing the cost of such work to the Owner.

3.15 Permitted Entrances. In order to implement and effect insect, reptile and woods fire control, and to maintain unsightly Home Sites, the Developer or the Board, or their respective agents, may enter upon any Home Site on which a dwelling residence has not been

constructed and upon which no landscaping plan has been implemented, such entry to be made by personnel with tractors or other suitable devices, for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds or other unsightly growth, which in the opinion of the Developer or the Board detracts from the overall beauty, setting and safety of the Development or Home Sites. Such entrance for the purpose of mowing, cutting, clearing or pruning shall not be deemed a trespass. The Developer and its agents or the Board and its agents may likewise enter upon a Home Site to remove any trash which has collected on said Home Site without such entrance and removal being deemed a trespass. The provisions of this section shall not be construed as an obligation on the part of the Developer and its agents or the Board and its agents to mow, clear, cut or prune any Home Sites or to provide garbage or trash removal services.

3.16 Chimneys. All chimneys or other fireplace structures on the exterior of any Home shall begin at ground level and shall have a painted chimney shroud. reception of television or radio signals upon any other of such properties. Notwithstanding the foregoing, the provisions of this section shall not prohibit the Developer from installing equipment necessary for a master antenna system, security system, cable television, mobile radio system or other similar systems within the Development.

3.22 Flag Poles. No flag poles shall be situated on any Home Site except for such flag poles as are displayed from the exterior surface of a Home and are not more than five (5) feet in length. The exact location of any flagpole must be approved by the DRC.

The black 4' aluminum fence is to be Saybrook style fencing only and must also be kept in good condition (if not kept up the HOA may require it's removal).

3.29 Driveways. Each residence constructed upon a Home Site must be served by a driveway constructed of hard surface materials such as concrete, brick, exposed aggregate, or pre-cast pavers. All other hard surface materials must be approved by the Developer or the DRC. Where a Home Site borders on more than one street, the Home Site shall be entered from the secondary street. It shall be obligatory upon all owners of Home Sites in this subdivision to construct or place any driveways, culverts, or other structures, or grading, which are within the limits of any dedicated roadways, in strict accordance with the specifications therefor, as set forth on the recorded subdivision plat, in order that the roads or streets, which may be affected by such placement or construction, may not be disqualified for acceptance into the road system of Hamilton County, Tennessee.

3.30 Curbs. No permanent cuts may be made in the curbs for any purpose, other than driveways without written consent of board or DRC. Owners shall repair damaged curb cuts in front of their respective Home Sites, except that if another, identifiable Owner causes damage to a curb cut, then such Owner shall be responsible for repairing the damage.

3.31 Garages. All Homes shall have a minimum of a two-car garage. All garages must be a minimum of 20-feet by 20-feet, and single garage doors must be a minimum of 8-feet wide and double garage doors a minimum of 16-feet wide. Garage doors must be panel wood, hard board, or metal paneled.

3.32 Vehicle Parking. Vehicles owned by Owners shall be parked only in the Owner's garage or driveway. No more than (2) vehicles shall be parked in the Owner's driveway between sunset and sunrise. In order to protect the aesthetic character of Amber Ridge, vehicles which do

not have a visually attractive exterior, are commercial in nature, or otherwise would detract from the overall character of the neighborhood, as determined by the Board in its discretion, must be parked inside garages at all times. Tractor trucks may not be parked in the Development. No inoperable vehicle, tractor or other machinery shall be stored on any Home Site at any time, even if not visible from the street. No house trailer or other such vehicle shall be stored at a Home Site or otherwise in the Development. There shall be no overnight parking of vehicles on the streets of the Development except in the case of overnight houseguests (with notice to the HOA), and then only for periods of not more than one (1) week and only if there is no parking room in the driveway of the Owner. Unauthorized vehicles may be towed at the owner's expense. Owners may not construct or have constructed parking pads or expansions to existing driveways without written permission from the developer or the DRC, and any such parking pads or driveway expansions must be contiguous to the existing driveway, provide space for only a single vehicle, and be approved by the DRC in accordance with plans and specifications submitted by the Owner before construction starts.

3.33 Detached Buildings. Detached garages, outbuildings or guest quarters shall not be placed on any Home Site without the prior written consent of Developer or the DRC. A bathhouse (which shall not include sleeping quarters) built expressly in conjunction with a private swimming pool shall not be included in this prohibition. Thus a bathhouse will not have to be connected or attached to the dwelling but the plans and specifications, including the exterior material, must be approved by Developer or the DRC. However, the square footage of such a structure shall not be included in complying with the minimum square footage requirements as set forth herein.

3.34 Temporary Structures. No part of any Home Site shall be used for residential purposes until a completed Home, conforming fully to the provisions of the Covenants contained in this Declaration, shall have been erected thereon. The intent of this section is to prevent the use thereon of a garage, incomplete structure, trailer, barn, tent, outbuilding or other structure as temporary living quarters before or pending the erection of a permanent building. No structure of temporary character, including trailers and similar structures, shall be erected or permitted to remain on any Home Site except during the period of construction.

3.35 Animals; Dog Houses. No sheep, swine, goats, horses, cattle, burros, fowls (excluding household birds such as parrots and parakeets) or any like animals shall be permitted to be kept or to remain on any of the Home Sites, or to roam at large on any of the streets or way in or bordering the same. There shall be no kennels permitted on any Home Site for the commercial breeding or boarding of domestic pets. Pet owners shall not allow pets to roam unattended, and pets shall be leashed if off their master's Home Site. When Pet owners are exercising their pets in the neighborhood, owners must pick up and remove all pet waste at the time of the occurrence. The pet owners shall also muzzle any pet which consistently barks. If the barking persists, the pet owner shall have the pet removed from the Development. If the pet owner refuses, it shall be deemed an "offensive activity" under Section 3.14. Dog houses are prohibited unless kept inside a garage or kept in an unobtrusive location on the rear of a Home

Site with proper screening, and the dog house's location and the associated screening must be approved by the Board.

3.36 Tree Removal; Tree Planting. No trees larger than 2-inch CAL or shrubs taller than six (6) feet in height shall be removed prior to obtaining approval of the DRC. The majority of the trees may not be removed from any Home Site except in the area of the Home Site upon which the house and driveway are to be constructed. Except for view enhancement, excessive removal of trees will be deemed to be a nuisance to the adjoining neighbors and will mar the beauty of the Development. Notwithstanding the foregoing, Developer may remove any and all trees and shrubs as it deems necessary. In order to maintain the consistency and integrity of the streetscaping plan for the Development, Owners may not plant trees in front or side yards without first obtaining the prior approval of the DRC.

3.37 Pools, Play Equipment. The location and design of all in-ground pools, and any decks or patios related to the same, must be approved by the DRC, which approval shall be conditioned upon approval of a proper landscaping and screening plan submitted to the DRC. Above ground pools are prohibited in the Development. Construction or location of any decorative items such as statues, ornaments, and fountains must be requested in writing and approved by the DRC. The construction, placement, or installation of any playhouses, playsets, swing sets, and similar structures must be approved by the DRC as to location, style, materials, and color, it being an expressed part of this Declaration that the preferred colors for such structures are "natural" so as to minimize attention drawn to them and that the preferred material for such structures is natural stained wood. Non-portable basketball goals are prohibited. Portable basketball goals may not be used in any street or alley or any front yard of a Home Site and must be kept inside a garage from sunset to sunrise.

3.38 Sound Devices. No exterior speaker, horn, whistle, bell or other sound device which is unreasonably loud or annoying, except security devices used exclusively for security purposes, shall be located, used, or placed upon Home Sites within the Development. The playing of loud music from any balconies or porches shall be offensive, obnoxious activity constituting a nuisance.

3.39 Rearrangement of Home Site Lines.

A. Not more than one dwelling house shall be erected or maintained on any one Home Site. The division or rearrangement of boundary lines of subdivision Home Sites by any person or entity other than the Developer shall not increase the total number of Home Sites in the Development, and the same shall conform to zoning laws and subdivision regulations in effect thereon.

B. Notwithstanding any other provisions herein to the contrary, the Developer reserves unto itself, its successors and assigns, the following rights, privileges and powers: to subdivide Home Sites, to combine Home Sites or parts of Home Sites, to rearrange boundaries of Home Sites, to cause any part of any Home Site to become a part of the Common

Properties, and to cause portions of Common Property to become a part of any of the Home Sites bordering them.

3.40 Application. It is expressly stipulated that these Covenants set forth in this Article apply solely to the herein listed Home Sites in the Development, and are not intended to apply to any other tracts or parcels of land in the area or vicinity, owned by the Developer. Specifically, the Developer, its successors or assigns, reserve the right to use or convey such other tracts and parcels with different restrictions or unrestricted.

ARTICLE IV **ARCHITECTURAL CONTROL**

4.01 Architectural and Design Review

A. In order to preserve, to the extent possible, the natural beauty of the Development and its setting, to maintain a pleasant and desirable environment, to establish and preserve a harmonious design for the Development, to avoid harsh contrasts in the landscape and architectural theme of the Development, and to promote and protect the value of the Home Sites, the Developer and the Board shall create a Design Review Committee which will be charged with reviewing compliance with the architectural, building, and landscaping Covenants herein specified, and developing a body of rules and regulations pertaining to such review, which shall be available for all Owners or prospective Owners of Home Sites. The primary goal of the DRC shall be to review the applications, plans, specifications, materials, and samples submitted for construction of Homes or other structures located in the Development and any additions, alterations, or improvements thereto, as well as for landscaping plans. The DRC may make periodic inspections during any such construction to review for compliance with the Covenants herein contained. In the event of any violation of covenants herein contained which is not promptly cured upon notice from the DRC of such violation, the DRC shall notify the Developer or the Board, who then shall proceed to enforce compliance with such Covenants.

B. No building, fences, walls, pools, structures of any type, shall be erected, placed, added to, or altered and no trees or shrubs shall be cut or removed and no grading shall be commenced until the proposed building plans and specifications (including height, and composition of roof, siding, or other exterior materials and finish), Home Site plan (showing the proposed location of such building or structure, drives and parking areas), drainage plan, landscape plan or construction schedule, as the case may be, shall have been submitted to the Developer or DRC for approval at least thirty (30) days prior to the proposed date of construction. The Developer or the DRC shall give written approval or disapproval of the plans within 30 days of submission. However, if written approval or disapproval is not given within 30 days of submission, the plans shall be deemed to have been approved. Developer or the DRC may, by written notice given from time to time to the Owners of Home Sites, exempt certain matters of a non-essential nature (but not including the reduction of the minimum square footage requirements as set forth herein), from the review requirements subject to the terms and conditions and for the time periods established by Developer or the DRC. In the event of the

completion of any Home on any Home Site, without any proceedings having been instituted in the courts of Hamilton County, Tennessee to enjoin the construction thereof, the said Home shall be conclusively presumed to have had such approval.

C. The architectural and design review shall be directed toward preventing excessive or unsightly grading, indiscriminate clearing of property, removal of trees and vegetation which could cause disruption of natural water courses, insuring that the location and configuration of structures are visually harmonious with the terrain and vegetation of the surrounding property and improvements thereon, and insuring that plans for landscaping provide visually pleasing settings for structures on the same Home Site and on adjoining or nearby Home Sites.

D. The DRC shall consist of the Developer (or its appointees) until a Board consisting entirely of persons other than Developer (or its appointees) has been elected to succeed the Developer at a special meeting of the Association called for such purpose as provided in the Bylaws. Within sixty (60) days of the election of a Board to succeed Developer as above described, such Board shall appoint three (3) persons to make up the DRC. The President of the Association shall always be a member of the DRC. The Board shall promptly fill all vacancies to the DRC. The DRC may adopt rules and bylaws for its own procedural operation as are necessary and convenient, provided however, that such rules and bylaws must be approved by the Board.

4.02 Approval Standards. Approval of any proposed building plan, location, specifications or construction schedule submitted under Section 4.01 will be withheld unless such plans, location and specifications comply with the provisions of ARTICLE IV of this Declaration and unless such construction schedule complies with the provisions herein provided. Approval of the plans and specifications by the DRC is for the mutual benefit of all Owners and is not intended to be, and shall not be construed as, an approval or certification that the plans and specifications are technically sound or correct from an engineering or architectural viewpoint. Each Owner shall be individually responsible for the technical aspect of the plans and specifications.

4.03 Appeals. Any Owner may appeal any decision of the DRC to the Board by written request. The Board shall hear such appeal within twenty-one (21) days of such request and shall decide such appeal within twenty-one (21) days of such hearing. The hearing of any such appeal need not occur at a formally called or convened meeting of the Board.

4.04 Variances. All requests for variances to the Covenants herein contained shall be made in writing to the DRC. The DRC shall, within twenty-one (21) days of such request, make a recommendation to the Board either to approve or to disapprove such variance request. The Board shall issue a final decision on such request for variance within twenty-one (21) days of the DRC's recommendation.

ARTICLE V **ASSESSMENTS**

5.01 Creation of the Lien and Personal Obligation of Assessments. Each Owner by acceptance of a deed conveying a Home Site, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all of the terms and provisions of the Covenants contained in this Declaration and pay to the Association annual assessments and special assessments for the purposes set forth in Section 5.02 and Section 5.04 of this Article, such assessments to be fixed, established and collected from time to time as hereinafter provided. The Owner of each Home Site shall be personally liable, such liability to be joint and several if there are two or more Owners, to the Association for the payment of all assessments, whether annual or special, which may be levied while such party or parties are Owners of a Home Site. The annual and special assessments, together with such interest thereon and costs of collection therefor as hereinafter provided, shall be a charge and continuing lien on the Home Site and all of the improvements thereon against which each such assessment is made. Unpaid assessments shall bear interest from due date to date of payment at the rate set by the Board, and said rate can be changed from time to time so that the rate is reasonably related to the economic situation. In the event that two or more Home Sites are combined into a single Home Site by an Owner, the assessments will continue to be based upon the number of original Home Sites purchased.

5.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and for the improvement and maintenance of the Common Properties or the Development generally. The special assessments shall be used for the purposes set forth in Section 5.04 of this Article.

5.03 Amount of Annual Assessment. Until the election of a Board to succeed Developer consisting entirely of persons other than Developer (or its appointees) as described in the Bylaws, the amount of the annual assessments shall be set and may be adjusted by the Developer as it deems appropriate relative to the budgetary needs of the Association. Annual assessments may be adjusted more frequently than annually if necessary (whether by the Developer or by the Board). Thereafter, the annual budget for the Association and the amount of the annual assessments shall be set by the Board; provided however, that the Board may not increase the Association's annual budget by more than ten percent (10%) without first acquiring the approval of two-thirds (2/3rds) of those Members of the Association who are present or represented by proxy at the annual meeting held to approve such budget.

5.04 Special Assessments for Improvements and Additions. In addition to the annual assessments, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of the Common Properties, including the necessary fixtures and personal property related thereto and capital improvements or additions to the Common Properties. Notwithstanding the foregoing the Board shall not authorize structural alterations or capital additions to the Common Properties which require an expenditure in excess of Ten Thousand Dollars (\$10,000.00) without approval

of a majority vote of those Members who are present or represented by proxy at any annual or special meeting of the Association; or in excess of Twenty Thousand Dollars (\$20,000.00) without approval of two-thirds of the vote of those Members who are present or represented by proxy at any annual or special meeting of the Association; provided, however, that the Board shall have the power to make any repairs to and to undertake maintenance of an urgent nature on the Common Properties as may be necessary, in the Board's reasonable judgment, to preserve or maintain the integrity thereof without obtaining such approval.

5.05 Property Subject to Assessment. Only Home Sites subject to this Declaration shall be subject to these assessments. Projected locations for future platted Home Sites shown on the Master Plat will not be subject to assessment, unless and until such locations are subdivided into Home Sites, filed of record, and subjected to this Declaration.

5.06 Exempt Property. No Owner may exempt himself from liability for any assessment levied against his Home Site by waiver of the use or enjoyment of any of the Common Properties or by abandonment of his Home Site or in any other way.

The following property, individuals, partnerships or corporations, subject to this Declaration, shall be exempted from the assessment, charge and lien created herein:

- (a) All Home Sites owned by the Developer
- (b) The grantee of a utility easement.
- (c) All properties dedicated and accepted by a local public authority and devoted to public use.
- (d) All Common Properties.
- (e) All Properties exempted from taxation by the laws of the State of Tennessee, upon the terms and to the extent of such legal exemptions. This exemption shall not include special exemptions, now in force or enacted hereinafter, based upon age, sex, income levels or similar classification of the Owners.

5.07 Date of Commencement of Annual Assessments.

A. Imposition of the annual assessments provided for herein shall commence with the first sale of the first Home Site.

B. The amount of the first annual assessment on a Home Site shall be based pro rata upon the balance of the calendar year and shall become due and payable on the closing of the Home Site. The assessments for any year, after the first year, shall become due and payable the first day of January of said year.

C. The due date of any special assessment under Section 5.04 hereof shall be fixed in the resolution authorizing such assessment.

5.08 Lien. Recognizing that the necessity for providing proper operation and management of the Properties entails the continuing payment of costs and expenses therefor, the Association is hereby granted a lien upon each Home Site and the improvements thereon as security for the payment of all assessments against said Home Site, now or hereafter assessed, which lien shall also secure all costs and expenses, and reasonable attorney's fees, which may be incurred by the Association in enforcing the lien upon said Home Site. The lien shall become effective on a Home Site immediately upon the closing of that Home Site. The lien granted to the Association may be foreclosed as other liens are foreclosed in the State of Tennessee. Failure by the Owner or Owners to pay any assessment, annual or special, on or before the due dates set by the Association for such payment shall constitute a default, and this lien may be foreclosed by the Association. In addition to the foregoing, the Association may record notices of liens separate and apart from this Declaration as further evidence of any amounts due and payable by an Owner hereunder.

5.09 Lease, Sale or Mortgage of Home Site. Whenever any Home Site may be leased, sold or mortgaged by the Owner thereof, which lease, sale or mortgage shall be concluded only upon compliance with other provisions of this Declaration, the Association, upon written request of the Owner of such Home Site, shall furnish to the proposed lessee, purchaser or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association by the Owner of such Home Site; and such statement shall also include, if requested, whether there exists any matter in dispute between the Owners of such Home Site and the Association under this Declaration. Such statement shall be executed by any officer of the Association, and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Association shall be bound by such statement.

In the event that a Home Site is to be leased, sold or mortgaged at the time when payment of any assessment against said Home Site shall be in default, then the rent, proceeds of such purchase or mortgage shall be applied by the lessee, purchaser or mortgagee first to payment of any then delinquent assessment or installments thereof due to the Association before payment of any rent, proceeds of purchase or mortgage to the Owner of any Home Site who is responsible for payment of such delinquent assessment.

In any voluntary conveyance of a Home Site, the grantee(s) shall be jointly and severally liable with the grantor(s) for all unpaid assessments against the grantor(s) and the Home Site made prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee(s) to recover from the grantor(s) the amounts paid by the grantee(s) therefor.

5.10 Short term rentals. No short term rentals, no property without approval of the HOA shall be rented for a period of less than a term of 6 months. All leases must be filed with the contact information of the tenants to the HOA. The HOA does not have the authority to deny a

rental of 6 months or longer to anyone who is using the property for residential use. Nightly rentals or weekly rentals are STRICTLY PROHIBITED.

ARTICLE VI
MORTGAGES, MORTGAGEES AND PROCEDURES AND
RIGHTS RELATING THERETO

6.01 Register of Owners and Mortgages. The Association shall at all times maintain a register setting forth the names of the Owners, and, in the event of a sale or transfer of any Home Site to a third party, the purchaser or transferee shall notify the Board in writing of his name and his interest in such Home Site. Any Mortgagee may, if it so desires, notify the Association of the existence of any Mortgage held by it, and upon receipt of such notice, the Association shall register in its records all pertinent information pertaining to the same.

6.02 Subordination of Lien to First Mortgages. The liens provided for in this Declaration shall be subordinate to the lien of a First Mortgage on any Home Site if, and only if, all assessments, whether annual or special, with respect to such Home Site having a due date on or prior to the date such Mortgage is recorded have been paid. In the event any such First Mortgagee (i.e., one who records a Mortgage on a Home Site for which all assessments have been paid prior to Recording) shall acquire title to any Home Site by virtue of any foreclosure, deed in lieu of foreclosure, or judicial sale, such Mortgagee acquiring title shall only be liable and obligated for assessments, whether annual or special, as shall accrue and become due and payable for said Home Site subsequent to date of acquisition of such title. In the event of the acquisition of title to a Home Site by foreclosure, deed in lieu of foreclosure, or judicial sale, any assessments, whether annual or special, as to which the party so acquiring title shall not be liable shall be absorbed and paid by all Owners as part of the Common Expense; provided, however, nothing contained herein shall be construed as releasing the party or parties liable for such delinquent assessments from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

6.03 Amendments. No Amendment to this ARTICLE VI shall adversely affect the rights of any First Mortgagee whose Mortgage was recorded prior to the Amendment unless such Amendment is approved by the affirmative three-fourths (3/4ths) vote of the Mortgagees of which the Association has been notified in accordance with Section 6.01 and who vote within the period of time set by the Board, which shall be at least ten (10) days and no more than sixty (60) days.

6.04 Extension of Benefits to Other Mortgagees. By subordination agreement executed by a majority of the Board, the benefits of Sections 6.02 and 6.03 of this Article may be extended to Mortgagees not otherwise entitled thereto.

6.05 Mortgagees' Approval of Certain Actions. Unless at least three-fourths (3/4ths) of the First Mortgagees of which the Association has been notified in accordance with Section 6.01 (based upon one vote for each First Mortgage owned) of the Home Sites have given their prior written approval in accordance with and within the time periods set out in Section 6.03, the Association shall not be entitled to:

A. By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Properties owned, directly or indirectly, by the Association;

B. Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Home Site Owner;

C. By act or omission change, waive or abandon material regulations, or enforcement thereof, pertaining to the architectural design or exterior appearance of the Homes, the maintenance of the Common Properties or the upkeep thereof; or

D. Use hazard insurance proceeds for losses to any Common Properties for other than the repair, replacement or reconstruction of such Common Properties.

6.06 Notice of Default to First Mortgagees. If requested by a First Mortgagee, the Association shall notify each First Mortgagee of any default by the Mortgagor of a Home Site in the performance of said Mortgagor's obligations under this Declaration which is not cured within sixty (60) days.

6.07 Examination of Books. Each Owner and each Mortgagee of a Home Site shall be permitted to examine the books and records of the Board and Association during regular business hours.

ARTICLE VII **OWNER COMPLAINTS**

7.01 Scope. The procedures set forth below for Owner complaints shall apply to all complaints by Owners against the Board or the Association for decisions, actions, or omissions either regarding the use or enjoyment of the Property or any portion thereof or regarding any matter within the control or jurisdiction of the Board or the Association.

7.02 Grievance Committee. The Grievance Committee shall consist of the Board until such time as the Developer is no longer the board or until such time the Developer has appointed a Grievance committee. When the appointment of the Grievance committee occurs, the Committee shall be composed of the President of the Association or his appointee and two other Owners appointed by and serving at the pleasure of the Board of Directors, but who shall not also be members of the Board.

7.03 Form of Complaint. All complaints shall be in writing and shall set forth the substance of the complaint and the facts upon which it is based. Complaints are to be addressed

to the President of the Association and sent in the manner provided in Section 10.03 for sending notices.

7.04 Consideration by the Committee. Within twenty (20) days of receipt of a complaint, the Committee shall consider the merits of the same and notify the complainant in writing of its decision and the reasons therefor. Within ten (10) days after notice of the decision, the complainant may proceed under Section 7.05; but if complainant does not, the decision shall be final and binding upon the complainant.

7.05 Hearing Before the Committee. Within ten (10) days after notice of the decision of the Committee, the complainant may, in a writing addressed to the President of the Association, request a hearing before the Committee. Such hearing shall be held within twenty (20) days of receipt of complainant's request. The complainant, at his expense, and the Committee, at the expense of the Association, shall be entitled to legal representation at such hearing. The hearing shall be conducted before at least two members of the Committee and may be adjourned from time to time as the Committee in its discretion deems necessary or advisable. The Committee shall render its decision and notify the complainant in writing of its decision and the reasons therefor within ten (10) days of the final adjournment of the hearing. If the decision is not submitted to arbitration within ten (10) days after notice of the decision, as provided for in Section 7.07, the decision shall be final and binding upon the complainant.

7.06 Questions of Law. Legal counsel for the Association shall decide all issues of law arising out of the complaint, and such decisions shall be binding on the complainant.

7.07 Questions of Fact; Arbitration. If there shall be any dispute as to any material fact, either the Committee or the complainant may, at their option, within ten (10) days after notice of the decision as provided for in Section 7.05, submit the same to arbitration in accordance with the provisions for arbitration adopted by the American Arbitration Association by filing with the other party a notice of its intention to do so. The decision of the arbitrator shall be final and binding upon the complainant and the Committee. In the event of arbitration, each party shall bear one-half of the expense thereof.

7.08 First Remedy. The process for Owner complaints provided herein shall be exhausted prior to resorting to any other remedy, and no Owner shall bring suit against the Committee, the Association, or the Board without first complying with the procedures for complaints herein established.

7.09 Expenses. All expenses incurred by complainant in the course of the procedures set forth in this Article, including, without limitation, attorneys' fees and arbitration expenses and the like, shall be the sole responsibility of complainant. All expenses of the Committee incident to such complaint shall be deemed a Common Expense of the Association.

ARTICLE VIII

REMEDIES ON DEFAULT

8.01 Scope. Each Owner shall comply with the provisions of this Declaration, the Bylaws and the Rules and Regulations of the Association as they presently exist or as they may be amended from time to time, and each Owner shall be responsible for the actions of his or her family members, servants, guests, occupants, invitees or agents.

8.02 Grounds for and Form of Relief. Failure to comply with any of the Covenants of this Declaration, the Bylaws, or the Rules and Regulations promulgated by the Board which may be adopted pursuant thereto shall constitute a default and shall entitle the Association to seek relief which may include, without limitation, an action to recover any unpaid assessment, annual or special, together with interest as provided for herein, any sums due for damages, injunctive relief, foreclosure of lien or any combination thereof, and which relief may be sought by the Association or, if appropriate and not in conflict with the provisions of this Declaration or the Bylaws, by an aggrieved Owner.

8.03 Recovery of Expenses. In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall, in addition to the relief provided for in this Article, be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be allowed by the court, but in no event shall the defaulting or allegedly defaulting Owner be entitled to such attorneys' fees.

8.04 Waiver. The failure of the Association or of an Owner to enforce any right, provision, covenant or condition which may be granted herein or the receipt or acceptance by the Association of any part payment of an assessment shall not constitute a waiver of any breach of a Covenant, nor shall same constitute a waiver to enforce such Covenant(s) in the future.

8.05 Election of Remedies. All rights, remedies and privileges granted to the Association or an Owner or Owners pursuant to any term, provision, covenant or condition of this Declaration or the Bylaws shall be deemed to be cumulative and in addition to any and every other remedy given herein or otherwise existing, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to any such party at law or in equity.

8.06 Violations and Enforcement; Fines.

A. General. In the event of the violation, or attempted violation, of any one or more of the provisions of these Covenants, the Developer, its successors or assigns, or the Association, its successors or assigns, including the Board acting on behalf of the Association, or any party hereinafter becoming Owners of any one or more of the Home Sites to which provisions of these Covenants apply, may bring an action or actions against the Owner in violation, or attempting violation, and the said violating Owner shall be subject to such equitable,

injunctive, or declaratory relief as necessary to enforce the terms of this Declaration and shall be further liable for such damages as may accrue, including any court costs and reasonable attorneys' fees incident to any such proceeding. In the event of a violation of set-back lines, side, rear or front, which may be minor in character, a waiver thereof may be made by the Developer, its successors or assigns or the Board. Further, the Developer or the Board may grant variances of the restrictions set forth in these Covenants (but not including the reduction of the minimum square footage requirements as set forth herein), if such variances do not, in the sole discretion of the Developer or the Board, adversely affect the purposes sought to be obtained hereby.

B. Fines. In addition to all other rights, remedies, and privileges granted to the Association herein for the enforcement of this Declaration, the Association hereby authorizes the Board to assess, impose and collect monetary fines against Owners who violate or fail to comply with their duties under this Declaration, the Bylaws, or the Rules and Regulations of the Association, as same may be amended from time to time. Such fines shall not exceed the sum of the amount of the annual assessment then in effect for the Development, per instance of violation or noncompliance. Prior to assessing any fine, the Board shall give to the violating Owner written notice of the violation or noncompliance and shall allow the Owner fifteen (15) days from the date the Board sends such notice to cure the violation or noncompliance, or if a cure cannot be reasonably completed within such fifteen (15) days, then the Owner will be allowed such additional time as is reasonably necessary to complete cure so long as the Owner commences cure within the initial fifteen (15) day period and diligently pursues cure to its end. Notwithstanding the foregoing, the Board is not required to provide either written notice of or an opportunity to cure a violation or noncompliance (and the Board may immediately impose and assess a fine) if within one year of receiving written notice of a violation or noncompliance, an Owner commits a second violation or noncompliance that is similar in kind. All fines imposed and assessed by the Board shall be deemed part of an Owner's assessment against his/her Home Site, shall benefit from the provisions herein pertaining to assessments, and until paid shall be and become a lien against such Home Site, enforceable in accordance with the provisions of this Declaration and the Bylaws pertaining to assessments, including but not limited to the right to record a notice of lien encumbering the Home Site and to collect the amounts due by enforcing the lien through foreclosure or otherwise. The Board shall be entitled to use its business judgment in determining which instances of violation or noncompliance merit assessment of a fine, and the Board's failure to assess a fine in any particular instance of violation or noncompliance shall not undermine the general enforceability of this provision and shall not constitute a waiver of any future or other instances of violation of or noncompliance with this Declaration.

ARTICLE IX

EMINENT DOMAIN

9.01 Board's Authority. If all or any part of the Common Properties (excluding personalty) is taken or threatened to be taken by Eminent Domain, the Board is authorized and directed to proceed as follows:

A.
